## EXHIBITOR *FREQUENTLY* *ASKED QUESTIONS*

### ***What is Youth Pastor Summit?***

Student Leadership University has been privileged to host the Youth Pastor Summit as a conference for youth pastors in Orlando for the past 23 years. Hosted in partnership with Lifeway Students, the Youth Pastor Summit is a two-day conference that includes speakers, worship, lunches and free resources for youth pastors. We do this event to invest in and encourage those youth pastors, educators, and youth leaders who are making a lasting impact in the lives of students.

This year, we are continuing our expansion of the Youth Pastor Summit with events in Dallas, Nashville, and Southern California. Each event is unique and will have its own line-up, breakout speakers, and set of resources offered.

### ***How large is the audience?***

Each year we have over 2,500 who register for the YPS in Orlando. We also have over who register for 600 YPS Dallas, over 800 who register for YPS Nashville and over 500 who register for YPS Southern California. We are anticipating a similar attendance in 2020.

### ***What is the deadline for exhibitor registration selection?***

All exhibitor registration forms must be received by **February 21, 2020**. Because of the extremely limited exhibitor space for YPS, sending in an application does not guarantee you a space at the Summit - though sending one in early certainly helps your chances! We will review all exhibitor registration forms on a rolling basis. Please note, due to high demand in past years, we anticipate these spots filling early this year - so don't wait! Once selected, you will be emailed a confirmation packet with event specific details as well as payment information.

### ***How do we select exhibitors?***

Our goal is to provide the greatest number of resources for our attendees each year in each city. We review all submissions and make selections based on this goal.

### ***How does load in/load out work?***

All exhibitors must check in and complete no later than 2 hours prior to event start time.

### ***What hotel accommodations are available?***

Please visit the lodging link of the YPS site for negotiated rates at participating hotel properties.

### ***What info is city-specific?***

- ***Exhibition Schedule:*** Booth times vary by city. A detailed schedule of session times, etc. will be emailed along with confirmation of selection. Due to space limitations of venue, exhibitors can only exhibit on Day 2 of YPS Orlando. Exhibitors can exhibit for the entire events at YPS Dallas, Nashville, and Southern California.
- ***Shipping:*** Shipping materials to and from the event is solely the responsibility of the exhibitor. Due to space limitations, SLU does not have the ability to store any materials in advance. Specific details of each city will be emailed along with confirmation of selection.

### ***Are there any exhibitor regulations?***

As you partner with us in providing the best event possible for our attendees, there are a few guidelines we ask that you adhere to:

- Since exhibitors have the opportunity to choose to put a promotional piece in the attendee gift bag through the exhibitor opportunities, please do not stand at the doors and hand out any promotional items.
- Exhibit booths must be set up no later than 2 hours before event start time or booth space is forfeited.
- Exhibitors are not permitted to sell any resources from your table. Exhibitors are welcome to provide information on resources that attendees can purchase at a later date, but cannot sell them directly from your table.
- If selected to be an exhibitor, payment must be received by **March 8, 2020**.
