

WEST COAST

VIRTUAL EVENT GUIDE

GENERAL INFORMATION

Student Leadership University has been privileged to host Youth Pastor Summit (YPS) for youth pastors and their teams for the past 24 years. Youth Pastor Summit, valued at \$300, is provided as a gift to youth pastors, youth workers, youth volunteers, and educators as encouragement and investment in those who are making a lasting impact in the lives of students.

Join us as thousands of youth pastors gather virtually for incredible worship, plenary and topical sessions, and tons of free resources. It is our privilege to host YPS West Coast in partnership with Lifeway Students.

Sessions: 13 Sessions with a mix of Worship, Plenary and Topical, PLUS 5 BONUS sessions sent to all attendees!

Lunch Tip: The detailed event schedule is included to the right. There will be a live Q&A during both our lunch and afternoon break portion. Be sure to have your food ready to grab or delivered and come back to hear from Dr. Jay Strack, Ben Trueblood, Ryan McDermott, and Brent Crowe!

Format: We are excited to host this event virtually again this year! This creative and innovative format will combine both traditional plenary sessions and Ted-talk style topical sessions, and attendees will get access to all event sessions! Through a mix of inspiring, equipping, and educational segments, attendees will be encouraged and resourced with practical tips, tools, and approaches on how to effectively do ministry in this season.
